A car is highly recommended for the best experience, especially if you plan to visit the beach, downtown, Mayfaire, or Porters Neck. Parking at the home is easy with a driveway and street.

SHARED RIDE SERVICES

Uber and Lyft are available in Wilmington and are a great option for:

- Downtown restaurants and nightlife
- Brewery hopping
- Events at UNCW
- Beach days when you don't want to deal with parking

PARKING

Beach parking is by the hour along with all-day paid lots. Downtown has free street parking in certain areas, paid parking lots or decks, and paid/metered street parking.

BEACH PARKING

Wrightsville Beach is about 20–25 minutes away with traffic. Beach parking can fill up quickly, especially on weekends and during peak season.
